

BeST Transit Request for a Reasonable Accommodation

All federally funded public transportation entities are subject to provide reasonable accommodations by making changes to policies, practices, and procedures if needed for an individual with a disability to use the Fixed Route Bus Service, unless providing such accommodations are an undue financial and administrative burden or constitute a fundamental alteration of the program or activity. Please complete the form below to request a reasonable accommodation and return the form to BeST Transit, 29800 Route 220, Athens, Pa. 18810. If the request is based on a medical condition, you may be asked for additional information. You will receive a response to this request within 30 days of receipt by BeST Transit.
